ALCOHOL: 14.2%

TOTAL ACIDITY: 6.2 g/l

RESIDUAL SUGAR: 2.7 g/l

pH: 3.44

WINE STYLE

Our Expression flagship wine is made from the best performing rows of Shiraz and Cabernet Sauvignon. The fruit is characterized by intense forwardness and unique tannin structure. The cool climate terroir means a long and even ripening period, resulting in grapes of intense fruit, balance, structure and elegance.

TASTING NOTES

The Goose Expression features intense, upfront spice with a juicy blackcurrant and cigar box finish, yet a very soft wine on the palate. This is a velvet structured wine, full bodied with huge complexity showing black cherries on the nose, featuring herbaceous character and white pepper support.

FOOD PAIRING

The Goose Expression will partner well with oxtail, beef, venison and stews
